

# ***Hands Across the Corridor!***

**Saturday, Sept. 30th @ Your County  
Courthouse steps\***

The movement to stop Rick Perry's Trans-Texas Corridor -- the largest land grab in Texas history -- and its urban step-sister, the Governor's urban freeway tolling schemes-- are coming together to:

***Stop the Corridor! Starting with Grandma!***

## **Carole Keeton "Gandma" Strayhorn**

Vote for a new Governor of Texas on Nov. 7. Early voting begins Oct. 23.

Texans will go to their county courthouses with a cup of dirt to let the Governor know that's the only land he's getting before we reroute him with Grandma in November!
